- a. To determine the care, maintenance and operation of equipment used for and on behalf of the purposes of the Town.

- d. To select and to determine the number and types of employees required to perform the Town's operation.

- e. To employ, transfer, promote or demote employees or to lay off, terminate or otherwise relieve employees from duty for lack of work or other legitimate reasons when it shall be in the best interests of the Town or the Department.

- h. To establish contracts or subcontracts for municipal operations, provided that this right shall not be used for the purposes or intention of undermining the Union or discriminating against its members. All work customarily performed by the employees of the bargaining unit shall be continued to be so performed unless in the sole judgment of the Town it can be done more economically or expeditiously otherwise.

2.1 The above rights, responsibilities and prerogatives are inherent in the Town Board of Selectman by virtue of statutory and charter provisions and are not subject to delegation in whole or in part. Such rights may not be subject to review or determination in any grievance or arbitration proceeding, but the manner of exercise of such rights may be subject to the grievance procedure as described in this Agreement.

ARTICLE 3.
UNION SECURITY, DUES DEDUCTION

3.0 The Town agrees to deduct Union membership dues from the salary of all employees covered herein who authorizes such deductions in writing. Such dues deductions shall continue for the duration of this Agreement. The amounts to be deducted shall be certified to the Town by the Treasurer of the Union and aggregate deductions shall be remitted to the Union. These deductions will be made on a payday of each month as specified by the Town and agreed to by the Union. In the event an employee receives no pay on the payday on which Union dues are deducted, no deduction shall be made for that month. The Union agrees to indemnify and hold harmless the Town for any loss or damages arising from operation of this section.

3.1 The Town agrees to maintain for the life of this Agreement any and all benefits currently enjoyed by the employees that are not expressly referred to in the Agreement.

ARTICLE 4.

SENIORITY

4.0 Seniority shall commence on the day the employee begins to work as a paid, regular, full-time employee of the department, except as provided in sections 4.2 and 4.3 below.

4.1 An employee's seniority shall be broken and he shall forfeit all rights and benefits under this Agreement if the employee: (1) voluntarily resigns and quits; (2) is discharged; or (3) takes leave of absence for more than six (6) months, unless the leave is for military service, educational programs or sickness approved by the Chief Administrative Officer.

4.2 No employee shall attain seniority rights under this Agreement until he has been continuously employed by the Town as a full-time member of the department for a period of one (1) year, and until he has completed the minimum basic training pursuant to Section 7-294e of the General Statutes of Connecticut. During such period, the employee shall be on probation and may be discharged by the Town for any reason whatsoever. In such event, neither the Union nor the employee shall have recourse to the grievance and arbitration provisions of this Agreement. Upon completion of the probation period, seniority shall date back to the date of original employment with the Town.

4.3 When two or more officers are appointed to the Department on the same date, they shall rank according to the order of appointment.

4.4 In the event of reduction in the number of employees, layoff shall be in inverse order of seniority and recall shall be by seniority. No new employee will be hired until recall of all laid-off officers is complete. Employees shall be placed on a recall list for a period of two (2) years from the date of an employee layoff.

4.5 Employees who achieve rank within the department shall be ranked according to the date of their promotion. Date of hire shall prevail in determining departmental seniority in the selection of requests for time off, layoff and recall.

ARTICLE 5.

GRIEVANCE PROCEDURE

5.0 The purpose of the grievance procedure shall be to settle employee grievances on as low administrative level as is possible and practicable so as to ensure efficiency and employee morale.

5.1 A grievance for the purpose of this procedure shall be considered to be an employee complaint concerned with:

- a. Discharge, suspension or other disciplinary action.
- b. Charge of favoritism or discrimination,

- c. Interpretation and application of rules and regulations and policies of the Town,
- d. Matters relating to the interpretation and application of the Articles and Sections of this Agreement.

5.2 Any employee may use this grievance procedure with or without Union assistance at Step 1 or Step 2 of this procedure. Should an employee process a grievance through one or more steps provided herein prior to seeking Union aid, the Union may process the grievance from the succeeding step following that which the employee has utilized. No grievance settlement made as a result of an individually processed grievance shall contravene the provisions of this Agreement.

5.3 The following shall be the procedures for grievances:

- a. Step 1. Any employee or the Union who has a grievance shall reduce it to writing and submit it to the Chief of Police (the "Chief") within fifteen (15) calendar days of the date of the occurrence and the Chief shall use his best efforts to settle the dispute. The Chief's decision shall be submitted in writing to the aggrieved employee or his representative within fifteen (15) calendar days of the receipt of the grievance.
- b. Step 2. If no agreement is reached with the decision of the Chief, the employee or the Union shall submit the grievance in writing within fifteen (15) calendar days to the Chief Administrative Officer. Within fifteen (15) calendar days after receiving such grievance, the Chief Administrative Officer shall render his/her decision in writing to the aggrieved employee and his representative, if any.
- c. Step 3. If no agreement is reached with the decision of the Chief Administrative Officer, the Union may submit the grievance to arbitration by the Connecticut State Board of Mediation & Arbitration (the "Board") within fifteen (15) calendar days after receipt of any written decision of the Chief Administrative Officer. The decision rendered by the arbitrator or arbitrators shall be final and binding upon both parties.
- d. Mediation. The mediation services of the Board may be used at any time after the second steps above, provided both parties mutually agree in writing.
- e. Meetings. If either of the parties related to the grievance process desires to meet for the purpose of oral discussion, a meeting shall be requested and, if satisfactory to the other party, a meeting shall be promptly scheduled. Such procedure shall not extend the time limitations above, except as agreed to under (f) below.
- f. Time Extensions. Time extensions beyond those set forth in this grievance procedure may be arranged by mutual written agreement of the parties.

- g. Representation. The employee, the Union, or the Town shall have the right, at his or its own expense, of choice of representation whenever representation is desired.

ARTICLE 6.
DISCIPLINARY PROCEEDINGS

6.0 The Town shall notify any employee who is the subject of an internal affairs investigation within forty-eight (48) hours of the commencement of such investigation. The Town shall notify the Union in writing of any disciplinary action or discharge within seventy-two (72) hours after its occurrence.

ARTICLE 7.
HOURS OF WORK

7.0 For the purpose of determining regular time and overtime rates of pay, the regular workweek shall be forty (40) hours per week, eight (8) hours per day. The work week shall commence from 7:00 a.m. on Sunday to 6:59 a.m. Sunday.

7.1 Shift hours shall be for Shift A: 0700-1500; for Shift B: 1500-2300; and for Shift C: 2300-0700.

7.2 Subject to the negotiated staffing levels, the Town retains the exclusive right to determine the number of officers required for each shift. Bid shift can be denied or limited to an officer for administrative purposes such as when a patrol officer must learn patrol area during daylight hours, an officer has personal problems and needs to change shifts, an officer needs closer supervision, etc. This type of administrative assignment shall be limited to one bid cycle.

Shift requirements as posted by the Chief of Police and requests for use of vacation days and compensatory time shall be selected by patrol officers, sergeants and detective(s) every twenty-eight (28) days (at least fifty-six (56) days prior to the effective date of the bid period) according to seniority within job classification. After shifts are posted, requests for time off shall be permitted at the Police Chief's or his/her designee's discretion and permission must be received in writing. In no case shall any patrol officer select the same district more than two (2) consecutive bid periods.

7.3 Within seven (7) days of the shift requirements being posted, employees must bid a shift and district assignment and submit requests for vacation days and compensatory time.

7.4 The Chief of Police (or his/her designee) shall complete the work schedule. The Town and the Union agree that an employee may be moved at any time from his/her bid shift in order to accommodate that employee's training. In addition, unless mutually agreed, at least a week in advance, an employee assigned to C-3 (7:00 p.m. to 3:00 a.m., Thursday-Friday off)

may be moved to another C squad shift, and an employee assigned to B-3 (11:00 a.m. to 7:00 p.m., Thursday-Friday off) may be moved to an A or B squad shift. Furthermore, when needed, detectives may be assigned patrol duties on the A squad to meet the minimum staffing requirement for a day. Unless otherwise permitted by this Agreement, employees shall not be moved from his/ her bid shift except by mutual agreement.

7.5 No later than thirty-five (35) days before the beginning of the work schedule, overtime requirements shall be posted and voluntarily filled. If the minimum staffing needs of the Department remain unfilled twenty-eight (28) days before the beginning of the work schedule, the least senior officer scheduled to work the shift prior to the vacant shift shall be held over four (4) hours and the least senior officer scheduled to work the shift following the vacant shift shall be called in (4) hours early. If both shifts are vacant, both officers working the prior shift shall be held over four (4) hours and both officers working the following shift shall be called in four (4) hours early.

7.6 Work schedules shall be posted at least twenty-eight (28) days in advance of the effective day of such work schedule. Prior to the posting of the final schedule (28 days before start of schedule), if a long term vacancy occurs, other than scheduled vacation, during which the officer will be off the shift for ten or more consecutive working days, then management may fill that slot by bumping the least senior officer(s) from another shift(s) that has staffing above the contract minimum, unless a supervisor position is desired in which case the supervisor may be reassigned. Patrol officers may exchange individual shifts with patrol officers and sergeants may exchange individual shifts with sergeants provided the exchange does not incur additional cost to the Town and maintains sufficient staff coverage.

7.7 During each eight (8) hour tour of duty, all employees shall be allowed one-half (1 /2) hour for lunch.

7.8 The Town agrees that past practices as pertaining to shift swaps and hours of work shall be maintained unless changed by the specific terms of this Agreement.

7.9 Employees on scheduled days off shall not be required to work unless a routine patrol shift cannot be filled as outlined above or under emergency conditions.

7.10. Additional requests for use of compensatory time may be filed after the schedule is posted and shall be approved only if the resulting absence does not bring the shift below minimum staffing. Such requests shall be approved on a first come, first served basis.

7.11 Any new positions and/or employees added to the bargaining unit shall be added to the Department's work schedule as determined by the Chief of Police.

7.12 Except in an emergency situation, the detective(s) shall normally work Monday through Friday on A squad. In the case of an emergency, the Chief of Police may assign the detective(s) to work on any squad as a detective. The Chief of Police may assign the detective(s) to work patrol on A squad to meet the requirements of minimum staffing. With the employee's consent, the Chief of Police may assign the detective(s) to work patrol on the B or C squad. In

addition, if agreeable to the detective(s) and the Police Chief, the hours of work may be modified in order to accommodate the requirements of a case.

Except for private duty work, approved paid time off shall be considered time worked for purposes of calculating overtime. Hours worked on a private duty assignment do not count toward any of the overtime premiums provided under the Agreement.

8.2 Compensatory time off may be credited at the same rate in lieu of overtime pay, provided that an employee may not earn more than one hundred twenty (120) hours during any fiscal year period. Compensatory time may not be carried over to the next fiscal year. Compensatory time either must be used by June 30 each year or the employee will be paid for the unused time.

Compensatory time off must be taken in a minimum increment of four (4) hours unless:

- a. No replacement is required to meet the minimum staffing provision of Article 26.0;
- b. The employee requesting use of compensatory time obtains a replacement employee or arranges a swap so that no call in is required; or
- c. The replacement employee waives the four (4) hour minimum call-in provision of Article 8.4, in which case the replacement employee will be paid only for actual hours worked and will not be moved on the overtime rotation list.

8.3 When an employee who is off duty is called in to work that is not contiguous with said employee's regular work hours, the employee shall be paid for at least four (4) hours at the rate of time and one half (1-1 /2). However, if the employee completes his/her assignment in less than 4 hours, he/she shall inquire of his/her supervisor whether there is any other assignments to perform during the 4-hour period before they may leave.

8.4 Overtime pay shall not be subject to the minimum four (4) hour provision of Article 8.3 when such overtime is a result of extending a tour of duty on any shift to properly complete an investigation or work assignment, for assisting in an emergency situation, etc. In such situations, the employee will be paid overtime for the actual time worked.

8.5 Scheduled overtime shall be posted and distributed to all employees on a fair and equal basis according to a policy agreed to by the Town and the Union.

If an officer from another municipality performs a Private Police Duty assignment in Canton, compensation for the assignment shall be determined by the relevant policies and/or contracts of that municipality and shall not be the responsibility of Canton.
