Employees assigned to work on the third (11:00 p.m. to 7:00 a.m.) shift shall, for time they actually work on that shift, receive an additional eleven and one quarter percent (11.25%) of their respective normal hourly pay (calculated by dividing their respective annualized salaries, as shown on Appendix A, by 2,080).
- (b) The shift differential premiums set forth above shall be paid only to those Employees who are assigned to work on the second or third shifts, respectively, and not to those Employees assigned to the first shift (i.e., 7:00 a.m. to 3:00 p.m.) whose work overlaps the shift for which a premium is paid, either by virtue of their reporting early or working late. Similarly, an Employee assigned to the second shift who continues to work into the third shift shall not have his/her premium increase from the second shift premium to the third shift premium. - (b) As used in this Section, the term “acting position” shall also be defined to include (i) a situation where an Employee is assigned to work more than three (3) consecutive scheduled tours of duty in a higher classification within the bargaining unit than that to which he/she is normally assigned, and (ii) the sergeant who is assigned to perform the duties of a lieutenant on a regular basis three (3) days per week (one Employee only) for the short shift, and (iii) the patrol officer who is assigned to perform the duties of the sergeant on a regular basis five (5) days per week for the short shift (one Employee only), but shall not include any officer assigned to work in a higher classification because of normal vacation schedules or absences for personal days. Any Employee who qualifies for the higher rate of pay under this provision shall receive the higher rate for the entire period in which he/she is assigned to the higher classification and the higher rate shall be the “first step” rate of the higher classification.

SECTION 4.09 Call Back

Darien Police Association Agreement, 2018-2022

- (e) Employees are limited to four (4) swaps per month;
- (f) With the express permission of the Chief, a swap may occur between a Sergeant and a Lieutenant;

"Personal equipment" means prescription eyeglasses, contact lenses, and sunglasses, shoes or boots, and wristwatches. Any Employee who submits a claim under this Section shall submit such reasonable substantiation, as the Town shall require, of damage or destruction in the course of his/her duties and not merely claim that the loss, damage, or destruction occurred in the course of performing his/her duties. All claims of damage or lost personal equipment and the cost of the damaged or destroyed item shall be subject to approval by the Town which approval shall not be unreasonably withheld. Reimbursement for the cost of repairing or replacing personal equipment in accordance with this Section shall not exceed \$200 per pair for prescription eyeglasses or contact lenses, \$150 per wristwatch, \$50 for sunglasses, or \$100 for shoes or boots.

SECTION 4.12 In-Service Training

- (a) As part of their regular duties, Employees shall be required to participate in "in-service" training programs provided by the Department. An Employee shall be paid at his/her regular straight-time hourly rate, calculated on the basis of a regular work week consisting of forty (40) hours for all time spent in "in-service" training programs, provided said programs conducted either immediately before or immediately after the shift to which the Employee is scheduled to work.
- (b) In the event the in-service training programs are held at times other than immediately before or after the shift to which the Employee is scheduled, said Employee shall be paid at the rate of one and one-half (1½) times his/her regular straight-time hourly rate (calculated on

- (b) Each Employee covered by the Town's Medical/Prescription Drug Plan shall have the option, during the Town's annual open enrollment period, to reject coverage under such Plan and receive in lieu of such coverage a payment equal to one-third (1/3) of the annual premium cost for the least expensive health plan offered by the Town at the level of coverage in which the employee is eligible at the time of the annual open enrollment (employee only, employee plus one, family etc.). Such payment in lieu of coverage shall be available in each Plan Year in which the Employee elects to reject such coverage during the annual open enrollment period. Employees who rejected coverage before July 1, 2015 shall have their in lieu payment fixed at the amount they received effective July 1, 2015 and such sum shall be adjusted to the level of coverage in which the employee is eligible at the time of the annual open enrollment. SECTION 5.08 Reimbursement Account Plan

The Town will maintain, pursuant to the provisions of Section 125 of the Internal Revenue Code, a Reimbursement Account Plan (an "RA Plan") for the purpose of enabling eligible Employees to divert a portion of their gross salaries, prior to reduction for federal income or social security taxes, into an account from which, during the course of the Plan Year, they can be reimbursed for their share of Group Insurance Premiums ("Premium Conversion"), Health Care costs ("Health Care Reimbursement") which are not covered by the Medical or Dental Plans described in this ARTICLE, and Dependent Care costs ("Dependent Care Reimbursement"). Each Employee will be permitted to divert a maximum of \$5,000 per Twelve (12)-Month Year for Dependent Care and \$2,700 per Plan Year for Health Care Reimbursement. - (e) Unexpended balances in each RA Account at the end of each Plan Year will be forfeited in accordance with legal requirements. The RA Plan will be governed by the terms of the RA Plan description contained in the insurance booklet issued by the carrier. It is intended that the RA Plan shall be interpreted, whenever possible, to comply with the terms of the Internal Revenue Code. In the event the RA Plan Administrator determines, before or during any Plan Year, that the RA Plan may fail to satisfy any non-discrimination requirement imposed by the Code or limitation on benefits to certain participants, the RA

- (b) Monthly disability payments will begin in the next month following ninety (90) consecutive days of total and permanent disability and will continue to be made each month thereafter during the period of the Employee's total and permanent disability until the Employee ceases to be totally and permanently disabled, attains age 65 or dies, whichever occurs first; and
- (c) Monthly benefit payments will be reduced by any and all amounts paid the Employee through workers' compensation (including heart and hypertension benefits), social security, retirement benefits, other disability benefits for which the Employee is eligible, including, among others, disability retirement benefits, and any other offset normally found in long term disability policies.

- (d) **Family Sick Leave.** Each Employee may use up to five (5) days of paid sick leave a year (July 1-June 30) for a child's or spouse's: illness, injury or health condition; the medical diagnosis, care or treatment of a mental or physical illness, injury or health condition; or preventative medical care. - (d) no requests for non-emergency personal days, except under extreme circumstances, will be granted on holidays recognized under this Agreement or days immediately preceding or following such holidays or an Employee's vacation, or whenever a requested absence can reasonably be anticipated to cause staffing to go below acceptable staffing levels (i.e., "short squads" or other acceptable minimum staffing);

Darien Police Association Agreement, 2018-2022

An employee who does not have sufficient accrued leave time to supplement his/her workers' compensation benefit shall only receive the statutorily required workers' compensation benefit.

The Town has no obligation to continue to employ an employee who has reached maximum medical improvement and is unable to perform the essential functions of his or her job.

- (e) The Chief shall continue to have the right to deny any bid on the basis of his or her judgment as to the most efficient operation of the shift.
- (f) If the Chief determines that an additional officer is needed to fill the Midnight shift, the Chief will make the assignment from among officers who had bid the Midnight shift, unless Administrative reasons lead the Chief to make the appointment from other officers who had not bid the Midnight shift.
- (g) At the discretion of the Chief, an officer may change shifts if there is another officer willing and qualified to take his or her place, but both officers will lose their vacation selections if, by moving into the new squad, they violate any of the vacation rules.

Any specially assigned personnel who, for whatever reason, leave their specially assigned positions shall bid for their shifts at the time of shift bid, and shall in the interim be assigned by Departmental need and seniority as described above.

SECTION 10.05

*Darien Police Association Agreement, 2018-2022***ARTICLE 11
WORKING CONDITIONS****SECTION 11.01**

Except as specifically provided in this Agreement, present policies concerning hours of work, overtime, rate of overtime pay, car allowance, rate of holiday pay, sick leave, extra work assignments and pay in effect on the date of this Agreement shall not be changed by the Town without prior written approval by the Union, provided, however, that when assigning Employees to work, the Chief shall, except in emergencies, make such assignments in accordance with a schedule essentially similar to the one commonly known as the "Yates Plan".

Employees routinely assigned to work a Monday-through Friday schedule shall receive one (1) day off per month in accordance with existing practice.

SECTION 11.02 Vacancies

Within sixty (60) days of the occurrence of any permanent vacancy in the rank of Sergeant, Lieutenant or Captain, the Commission shall either (a) announce the abolition of the position, or (b) fill the vacancy from the eligibility list, if any, in effect on the date the vacancy occurs. If no such eligibility list is in effect on the date the vacancy occurs, the Commission shall within (30) days, announce an intent to fill the vacancy or abolish the position. If the vacancy is to be filled, the Chief shall promptly begin the process of scheduling the appropriate examination(s) to create an eligibility list of candidates for the position(s). The examination(s) shall be administered without undue delay, *provided, however, that* in no case shall an examination be administered less than sixty (60) days after notice of such examination is prominently posted. Once created, an eligibility list shall remain in effect for two (2) years from the date of its promulgation. The date the vacancy occurs shall be defined as the conclusion of the last day of employment of the vacating officer. In the event a position which has been abolished is reestablished within one (1) year from the date upon which it was abolished, it shall be filled from the eligibility list, if any, in effect on the date the vacancy occurred. Nothing herein shall be construed or applied to prevent the Chief from temporarily filling a vacant position until an appointment to such position is made

SECTION 11.03 Short Squads

- (a) The Commission shall compile a roster by seniority of those police officers desiring to work overtime on off-duty days. This roster will be used only as specifically set forth in this Section, and its compilation or use shall not imply that Employees are not required to work overtime when assigned.
- (b) A short squad is one that consists of less than six (6) officers. When it is necessary because of absences due to illness, vacation, personal leave or other reasons to fill "short squads" for regular tours of duty, the Department shall call Employees in pursuant to the Department's overtime policies.

*Darien Police Association Agreement, 2018-2022***SECTION 11.04 Contract Negotiations**

For contract negotiations and for sessions required to process grievances, no more than three (3) members of the bargaining unit will be allowed time off from work without loss of regular pay when their presence at such sessions is required. The Union will, however, make every reasonable effort to conduct such business on off-duty time. Negotiations for a successor agreement will begin between the parties not later than April 1 of the year in which the contract expires.

SECTION 11.05 Fitness Program

All Employees hired on or after July 1, 2007, shall be required to participate in the Darien Police Department Fitness Program (the "Fitness Program") and shall be referred to as "Mandatory Participants." Employees actively employed by the Department as of June 30, 2007, shall not be required to participate in the Fitness Program, but shall be invited to participate in any aspect of the Fitness Program at their option and without penalty and shall be referred to as "Voluntary Participants."

SECTION 11.06 Canine Handler (K-9)

1. The Town, through the Police Department ("Department"), will obtain a suitable canine(s) for the K9 Program. It is the intent of the Department that the canine(s) be suitably trained for tracking, narcotics detection, and typical patrol duties.
2. Ownership of the canine(s) remains solely vested in the Town provided however, that the Town may seek to relinquish ownership upon expiration of the canine's serviceability to the Town or the Town's termination of the K9 Program. The Town will afford the handler of the retired canine the right of first refusal to purchase the canine at a price mutually agreed upon by the Town and the handler. Failure of the handler to comply with the terms of this Agreement, withdrawal, or inability of the handler to continue in a handler capacity shall not constitute an expiration of serviceability for the canine, and the Town reserves the right to reassign the canine to another handler.
3. The Town and the Union agree that the Department will afford any interested patrol officer an opportunity to apply for any opening as a K9 handler. The Town and the Union further agree that the K9 Committee will actively participate in the selection process to identify suitable handler candidates to be forwarded to the Department for consideration. The final appointment of a handler rests solely with the Department. The Town and the Union further agree that any handler may be removed as a handler for just cause, including, but not limited to, violation of the terms of this Agreement and the handler shall have the right to challenge such action through the grievance procedure.

Darien Police Association Agreement, 2018-2022

4. The handler agrees to undergo and successfully complete all training necessary, as determined by the Department in its sole discretion, to successfully implement and maintain said K9 Program.
5. The handler may, with good and sufficient reason acceptable to the Department, voluntarily withdraw as a handler provided the Department is given six (6) months' notice in writing of his or her intent to do so. The six (6) month notice requirement may be waived by the Department for a demonstrated hardship.
6. The handler agrees to house, care, train, and maintain the canine in the manner prescribed by the trainer and the Department. The Department reserves the right to periodically inspect the premises and conditions in which the canine is housed and maintained.
7. The Town agrees to bear all reasonable and documented expenses pertaining to the care and maintenance of the canine, including, but not limited to, food, medical care, and insurance.
8. The Town agrees to bear any reasonable and documented expenses related to boarding the canine in the event the handler is away or otherwise unable to care for the canine due to injury or illness. Any such arrangements made according to the provisions herein shall require the prior approval of the Department. In the event of any long term illness or injury to the handler that the Town reasonably believes is diminishing the continued viability of the canine asset, The Town reserves the right to reassign the canine to another handler.
9. The Town agrees to bear all reasonable and documented expenses pertaining to properly equipping both the handler and the canine for service to the Department. The handler agrees to properly maintain and properly use the equipment provided to him/her by the Department and return the equipment to the Department upon completion of his/her service as a handler.
10. The Town agrees to provide the handler with the use of a properly equipped marked police vehicle for the transportation of the canine to and from work, training, or functions authorized by the Department. Use of the vehicle for other purposes or the carrying of passengers not authorized by the Department is prohibited. The Town agrees to bear all reasonable and documented expenses related to the vehicle, including fuel and maintenance.
11. The Union agrees that the Department may assign the handler to a shift contrary to his or her bid based on the most efficient use of the K9 Unit as determined by the Department. The Union agrees that the handler will be assigned to a patrol squad and count toward the minimum staffing requirement.

Darien Police Association Agreement, 2018-2022

12. The Union acknowledges that the nature of a K9 Program is such that circumstances may require that the handler and canine (“the Unit”) be recalled to duty during off-duty hours. The Town agrees to compensate the handler at the greater of two (2) hours compensation or the actual time worked at the rate of one and one-half ($1\frac{1}{2}$) times the handler’s hourly wage in the event the handler is called back to duty during the handler’s off-duty hours.
13. The Town agrees to provide the handler a stipend of fifteen (15) dollars per day for each and every day the handler is partnered with the canine for the length of the canine’s service to the Department, provided, however, that said stipend will not be paid for any day(s) the canine is boarded, or the handler is away or unable to care for the canine due to injury or illness. The stipend will cease upon the removal of the canine from the handler or retirement of the canine from active service with the Department.
14. The Town reserves the right to discontinue the K9 Program with thirty (30) calendar days’ notice to the Union. If the Town discontinues the K9 Program, the Town and the Union agree that the handler will be assigned to his or her bid shift, insofar as allowed by seniority, for the balance of the current bid cycle.
15. The parties agree that this agreement is intended to schedule and compensate the handler in accordance with federal and state wage and hour laws governing the assignment of an officer to the care and handling of a canine.

SECTION 11.07 Grooming Policy

Employees shall be permitted to have beards and/or wear earrings provided they remain in compliance with the Police Department’s regulations pursuant to the Grooming Policy.

*Darien Police Association Agreement, 2018-2022***ARTICLE 12
DUES CHECK-OFF**

Each employee shall have, and be protected in the exercise of, the right to join and remain as a member of, and the right to refuse to join or become a member of, the Union, free from interference, restraint or coercion.

SECTION 12.01

Upon receipt of written authorization signed by the Employee, the Town shall deduct from the Employee's first paycheck of each month and remit to the Union an amount equal to the regular monthly dues uniformly required by the Union of each of its members. The remittance made to the Union must be made no later than the fourteenth (14th) day of the month following the month in which the deduction was made. No deduction shall be made from the paycheck of any Employee unless and until the Town has received written authorization to do so, signed by the Employee. Notice of increases in the regular membership dues and fees of the Union must be given to the Town at least thirty (30) days in advance of any decreased deduction.

SECTION 12.02

The Union and the Employees, individually and/or collectively, agree to defend and hold the Town harmless from any claim or claims brought against the Town concerning the application of the provisions of Section 12.01 above.

Darien Police Association Agreement, 2018-2022

**ARTICLE 13
NO-STRIKE CLAUSE**

The Union and its officers, in behalf of themselves and the Employees in the bargaining unit, agree that they will not engage in, encourage or tolerate any strike, picketing, leafleting, slowdown, sit-down or any interruption of work in any form for the term of this Agreement.

Darien Police Association Agreement, 2018-2022

**ARTICLE 14
GRIEVANCE PROCEDURE**

SECTION 14.01 Definitions

- (a) "Grievance" is hereby defined as a written claim by an Employee that a specific provision expressed in this Agreement has been violated, misinterpreted or misapplied by the Town or by the Chief or a Captain. "Grievance" will not include discrimination claims or Department claims or complaints arising under the Darien Police Department Rules and Regulations, which shall continue to be processed in the manner established by the Department.
- (b) A "Grievant" is hereby defined to mean any Employee who files a Grievance or the Union when it files a Grievance on behalf of a group of Employees in accordance with the provisions of this Article.
- (c) "Day" is hereby defined as a Monday through Friday business day.

SECTION 14.02 Procedure

All grievances shall be processed exclusively in accordance with the following procedures and in strict confidence:

- (a) **STEP ONE: Chief**
 - (1) Within ten (10) days after the alleged event on which the Grievance is based or within ten (10) days after the Grievant first knew, or, through the exercise of reasonable diligence, should have known of the alleged event on which the Grievance is based, whichever is later, the Grievant must submit the Grievance to the Chief, or designee, through the Union representative. The Grievance must set forth a brief description of the claim(s) on which the Grievance is based and specify the Article and Section of this Agreement allegedly violated, misinterpreted or misapplied.
 - (2) The Chief, or designee, shall, within ten (10) days following receipt of the Grievance, (A) confer with the Grievant in an attempt to resolve the Grievance, (B) answer the Grievance in writing with or without such a conference and/or (C) direct the Grievant in writing to proceed to the next step.

*Darien Police Association Agreement, 2018-2022***(b) STEP TWO: Town Administrator**

- (1) If the Grievance is not resolved at Step One and the Grievant desires to proceed further, the Grievant must submit the Grievance to the Town Administrator, or designee, within ten (10) days following the Grievant's receipt of the Chief's response at Step One or, in the absence of such a response, within ten (10) days following the time provided the Chief for giving such a response.
- (2) The Town Administrator, or designee, shall, within ten (10) days following his or her receipt of the Grievance, (a) confer with the Grievant in an attempt to resolve the Grievance, (b) answer the Grievance in writing with or without such a conference and/or (c) direct the Grievant in writing to proceed to the next step.

(c) STEP THREE: Arbitration

If the Grievance is not resolved at Step Two and the Union desires to process the Grievance to Arbitration, the Union must file a Demand for Arbitration to the American Arbitration Association in New York City or to the Connecticut State Board of Mediation and Arbitration in accordance with the following terms and conditions:

- (1) The Grievance must arise out of and involve the interpretation or application of a specific provision expressed in this Agreement and will not be arbitrable if it claims discrimination or a right, benefit or obligation not expressly set forth in this Agreement.
- (2) The Demand for Arbitration must be made in writing by certified mail, return receipt requested, with a copy to the Chief, postmarked within the ten (10) calendar days immediately following the Grievant's receipt of the Town Administrator's response at Step Two or, in the absence of such a response, within ten (10) days following the time provided for giving such a response.
- (3) Either party may each exercise the option to file one (1) case with the Connecticut State Board of Mediation and Arbitration per fiscal year. The Arbitration must be in accordance with the Connecticut State Board of Mediation and Arbitration's or American Arbitration Association's, as appropriate, Voluntary Rules for Labor Arbitration in existence at the time the Demand for Arbitration was mailed.
- (4) The Demand for Arbitration must be limited to the same Grievance submitted to the Chief at Step One.
- (5) The Arbitrator's authority will be limited to determining whether, by the allegations contained in the Grievance, the Town (or the Town Administrator or the Chief) violated the specific provision of this Agreement enumerated in the Grievance. The Arbitrator will not have any authority or power to add to, delete from or modify in any way any

Darien Police Association Agreement, 2018-2022

provision expressed in this Agreement. The Arbitrator will have the power to make appropriate compensatory awards to make the Grievant whole for time or work opportunity lost, if any.

- (6) The decision of the Arbitrator will be final and binding, subject to the right of either party to have the award confirmed, vacated or modified according to law.
- (7) The cost of the Arbitrator's services and the Arbitration hearing room will be borne equally by the Town and the Union.
- (8) Grievances must be filed for arbitration separately, and an Arbitrator may not hear multiple Grievances unless the Town and the Union agree, on a case by case basis, to allow the Arbitrator to do so.

SECTION 14.03 General Provisions and Time Limits

- (a) The procedures set forth in this Article shall be the exclusive means for processing Grievances.
- (b) As it is important that Grievances be processed as rapidly as possible, the number of days indicated at each step will be construed as a maximum. The time limits specified will be extended only by written agreement of the parties to the Grievance.
- (c) If an Employee does not file a Grievance in writing within ten (10) days after the event on which the Grievance is based or within ten (10) days after he/she first knew, or, through the exercise of reasonable diligence, should have known of the event on which the Grievance is based, whichever is later, the Grievance will be deemed to have been waived.
- (d) Failure by the Grievant at any level to process a Grievance to the next level within the specified time limits will be deemed to be acceptance of the decision rendered at the last level to which the Grievance was timely processed. Failure by the Chief or the Town Administrator to comply with the time limits set forth in this Article will enable the Grievant to process the Grievance to the next step in accordance with the provisions of this Article.
- (e) Each party may have not more than three (3) representatives present at any step of the Grievance Procedure unless the Town and the Union agree to a different number. Where possible, Grievance discussions shall be held on off-duty hours.
- (f) Consistent with the desires of the Town and the Union to avoid duplication of costs and effort, the filing of a claim or complaint with the Connecticut Commission on Human Rights and Opportunities, the Equal Employment Opportunity Commission, the Office of Federal Contract Compliance or any other state or federal court or agency relating to any of the bases for discrimination set forth in Article 3 of this Agreement shall constitute a waiver of access to the processes set forth in this Article.

Darien Police Association Agreement, 2018-2022

- (g) The Union, at its own initiative, may file and process a Grievance provided it directly affects the Union as a whole or two or more bargaining unit members similarly situated but then-currently assigned to different shifts or different divisions. Grievances filed by the Union must be filed directly with the Town Administrator, but in all other respects must comply with the provisions of this Article.

Darien Police Association Agreement, 2018-2022

**ARTICLE 15
SEVERABILITY AND STABILITY**

This Agreement shall constitute the sole and complete agreement between the parties and shall not be amended except in writing and only by mutual agreement between the parties. In the event any provision of this Agreement is rendered unenforceable or ineffective in whole or in part by any state or federal law, order or regulation, or a decision of a court of competent jurisdiction, the balance of this Agreement shall remain in full force and effect.

*Darien Police Association Agreement, 2018-2022***ARTICLE 16
DEPARTMENT RULES AND REGULATIONS**

However, any Department rule or regulation inconsistent with an express provision of this Agreement shall be superseded by this Agreement. Notwithstanding the foregoing, any change or modification, other than de minimis, in any existing Department rule or regulation, to the extent that such change or modification affects the conditions of employment of any member or members of the bargaining unit, shall be subject to bargaining with the Union prior to implementation.

*Darien Police Association Agreement, 2018-2022***ARTICLE 17

ASSESSMENT CENTERS FOR
PROMOTIONS TO LIEUTENANT AND CAPTAIN**

If no eligibility list is in effect on the date a permanent vacancy occurs, and as an alternative to the existing language and practice set forth in the General Orders and Section 11.02 Vacancies of this CBA, the Chief of Police may elect to utilize an Assessment Center to fill a permanent vacancy in the rank of Lieutenant or Captain. All other conditions set forth in the General Orders and Sec. 11.02 pertaining to Vacancies shall remain in effect.

If the Assessment Center is elected, the Chief shall provide written notice to the Association and post his/her election to utilize the Assessment Center within 30 days of the date of the vacancy. The examination shall be administered without undue delay, provided however, that in no case shall an Assessment Center examination be administered less than 60 days after Notice of the Assessment Center is prominently posted. All members of the Department who are eligible and apply to compete for promotion to the ranks of either lieutenant or captain shall be tested and scored on the following basis:

- (a) An Assessment Center consisting of multiple components that can include, but not be limited to, scenario based exercises, oral or written parts, role playing exercises, and production of work samples as determined by the vendor administering the Assessment Center. The Assessment Center shall not include a polygraph.
- (b) The multiple components of the Assessment Center shall be weighted equally and be scored to yield a final score based on a standard scale of 100, with 100 being a perfect score.
- (c) The Assessment Center shall be held in the Town of Darien in a facility other than Police Headquarters
- (d) The oral examinations shall be given by boards consisting of at least two members selected by the testing agency who, if possible, shall be law enforcement officers from other Departments or agencies. Any member of an oral board who is related to or personally (as distinct from professionally) acquainted with any promotion applicant should disqualify themselves from the examination of that applicant. The applicants may wear either police uniforms or civilian attire as they choose.
- (e) A final score of 60 after written and oral examination and application of seniority credit shall constitute a passing grade for promotion. A promotion list, consisting of final scores of all successful candidates listed in descending numerical order shall be promulgated by the testing agency and posted on the Department bulletin board immediately upon being received by the Department. The list shall state the effective date of its promulgation.

Darien Police Association Agreement, 2018-2022

- (f) In addition to scores received after an examination or Assessment Center, all applicants for all ranks shall receive seniority credit on the basis of $\frac{1}{2}$ point for each year of service in the Department, but not to exceed a maximum of fifteen points.
- (g) The Chief of Police shall select an independent organization to conduct the promotion process and shall publish a notice for the benefit of applicants as early as possible prior to the written examination of recommended sources and study materials as background for the testing, as soon as possible.

TRANSITION TO NEGOTIATED PAY PERIOD CHANGES**

Pursuant to negotiated changes in Section 4.05 of the collective bargaining agreement, effective with the third pay period after RTM approval of this agreement, Employees will receive payment of wages (including overtime and private duty pay) solely through Direct Deposit, on a Friday, and change from being “paid to date” for regular wages and being paid two (2) weeks in arrears for overtime, to being paid one (1) week in arrears for all wages. This transition pay check will only include one week’s base wages. In order to ease this transition to being paid one week in arrears, Employees will receive the retroactive wage increase back to July 1, 2018 (or hire date if later than 7/1/18) in this pay check. In addition, Employees may elect to sell back up to five (5) vacation days or compensatory time days (or a combination of vacation days and compensatory time days totaling not more than 5 days) to be paid to the Employee in this pay check. This one-time option does not impact future vacation accruals and carryovers.
