**READ FIRST:** This is a list of secure drop box locations for Connecticut voters during the November 3, 2020 election. **This is NOT an official list**, and the information here is subject to change. If you are unsure of your drop box location, [it is always best to call your local town clerk's office](#) for the most up-to-date information. [This sheet was last updated on September 22, 2020]

**User's Guide:** Connecticut has a two-step process for voting absentee: 1) a voter must complete and return the APPLICATION to vote absentee 2) the voter must complete and return their official BALLOT. By law, every municipality must have at least one secure drop box for voters to submit their BALLOTS, and these drop boxes are typically located outside of town/city hall. The Secretary of the State's office has indicated that voters may also submit their APPLICATIONS to vote absentee via these secure drop boxes. The information in this list was gathered via the ACLU of Connecticut's conversations with each Town Clerk's office during the first and second weeks of September. Towns marked \*Likely\* are those for which we were unable to reach the Clerk's office over the phone. If you notice information in here that is out of date, please contact us at [media@acluct.org](mailto:media@acluct.org) and let us know. Your application and ballot are likely safest if you submit them in the town where you are registered to vote.
