ARTICLE II - UNION SECURITY AND PAYROLL DEDUCTION

- 2.1 All employees in the bargaining unit shall, as a condition of continued employment, join the Union or pay a service fee to the Union. The service fee shall be equal to the amount uniformly required of members for the proportionate cost of collective bargaining, contract administration and grievance adjustment in accordance with the law.
- 2.2 Each employee will be offered an opportunity to join the Union or pay the agency fee. The Employer shall, through payroll deduction, deduct whichever fee is authorized by the employee. Each employee who elects to join the Union shall sign and deliver to the Union treasurer an authorization for the payroll deduction of membership dues of the Union. Such authorization shall be delivered to the Employer and shall continue in effect until revoked by the employee by written notice of revocation to the Employer and the Union. Any employee who revokes authorization for Union dues deductions shall be required to pay the agency fee.
- 2.3 Upon receipt of a signed authorization form from the employee involved, a copy of which is attached to this Agreement as Appendix A, the Employer agrees to deduct from the employee's pay each payroll period such dues and/or service fees as determined by the Union.
- 2.4 The Employer agrees to deduct from the wages of each employee, in accordance with Section 2.2, the Union dues or agency fee in the amount designated in writing by the local

Monthly remittances shall be accompanied by an itemized statement showing the name of each Union member and the amount checked off with a copy given to the local union financial secretary. An employee who has worked at least five (5) days in the current month and who quits is laid off or is discharged for cause shall have the current month's dues deducted from his final pay.

- 2.5 The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability and the cost of administrative or other hearings or proceedings that shall or may arise out of, or by reason of, any action taken by the Employer for the purposes of complying with the provisions of this Article, including reasonable attorney's fees and costs.

ARTICLE III - MANAGEMENT RIGHTS

- 3.1 The Employer shall not be limited in any way in the exercise of the functions of management and shall have retained and reserved unto itself the right to exercise, without bargaining with the Union, all the powers, authority and prerogatives of management including, but not limited to, the following items:
- A. the operation and direction of the Police Department;

During an emergency, the Employer shall have the right to take any action necessary to meet the emergency notwithstanding any contrary provisions of this Agreement.

ARTICLE IV - CIVIL RIGHTS

- 4.1 Neither the Employer nor the Union shall discriminate against an employee because of race, color, religion, creed, age, sex, marital status, national origin, ancestry, political affiliation or union membership or because the employee is a veteran.

ARTICLE V - HOURS OF WORK

- 5.1 A. All employees assigned to the Patrol Division shall work four (4) consecutive work days, eight (8) hours per day, followed by two (2) consecutive days off. This schedule, hereinafter referred to as the "4-2 SCHEDULE", shall apply only to the Patrol Division. There shall be no deviation from the 4-2 SCHEDULE except as provided in this Agreement.
- B. Employees assigned to the classification of Lieutenant shall work a 5-2 work schedule in accordance with the terms of provision Section 5.1(C).
- C. Lieutenants shall work a 5-2 work schedule.
Day shift: 0700-1500. Sunday through Thursday with Friday and Saturday off.
Evening Shift: 1500-2300. Tuesday through Saturday with Sunday and Monday off.

The regular days and/or hours of work may be changed by mutual agreement of the Lieutenant and the Employer. Provided there are two (2) or more Lieutenants

scheduled to work, they shall rotate their scheduled shift every eight (8) weeks. If there is only one Lieutenant working he shall rotate evenings and day shift every eight weeks.

- D. The regulations will be revised to place Lieutenants in the chain-of-command. Lieutenants will have operational and administrative responsibility. They will function as the squad supervisor if they are the only supervisor working. Only one Lieutenant may be on vacation at any time.

Lieutenants may request a day off on Thanksgiving and Christmas, outside of Section 10.4, as long as no more than two supervisors, including the Lieutenants, are on vacation those days.

- E. All other employees shall work forty (40) hours per week, eight (8) hours per day.

- 5.2 A. The 4-2 SCHEDULE shall also apply to all employees, regularly assigned to the Patrol Division, attending in-service training for a period of less than one (1) full calendar week. Days assigned to training shall be considered work days.
- B. The 4-2 SCHEDULE shall not apply to employees, attending in-service training for a period of one (1) or more full calendar weeks; provided, however, that said employees shall receive two (2) days off during any such calendar week. Employees who would have been scheduled to receive three (3) days off during any such calendar week shall receive an alternate day off within the twenty-eight (28) day work cycle in lieu of overtime pay. The scheduling of the compensatory day off shall be by mutual agreement of the parties; provided, however, the scheduling shall be within the twenty-eight (28) day work cycle and shall not result in overtime costs to the Town as a result of the scheduling of the day off.
- C. The 4-2 SCHEDULE shall not apply to employees attending recruit training at the Police Officer Standards Training Council or Officers assigned to educational instruction within the school system. The work schedule for employees attending recruit training at the Police Officer Standards Training Council shall be the same as the academy's training schedule.
- 5.3 A. The 4-2 SCHEDULE shall also apply to all employees, regularly assigned to Patrol Division, temporarily assigned to Detective Division for a period of less than one (1) full calendar week. Days assigned to the Detective Division shall be considered work days.
- B. The 4-2 SCHEDULE shall not apply to employees, regularly assigned to Patrol Division, that are temporarily assigned to Detective Division for one (1) or more full calendar weeks.
- 5.4 Any employee may substitute for another employee upon written request to the Squad Commander(s) whose shift(s) is affected and approval of the chief; provided such request is made no less than forty-eight (48) hours prior to the proposed substitution, and such

substitution imposes no additional cost to the Town, and this clause is not in conflict with any law governing the payment of overtime to members of the bargaining unit. No substitution shall be unreasonably denied.

- 5.5 Any employee assigned to the Patrol Division who substitutes for another employee for a full schedule period of eight (8) weeks shall continue the 4-2 SCHEDULE at the end of said period without deviation. Exemption from the 4-2 SCHEDULE for the purpose of implementing substitutions as set forth in Section 4 of this Article shall only be allowed to put said substitution into effect.
- 5.6 The eight (8) week work schedule shall be completed and posted on the station bulletin board a minimum of six (6) weeks prior to its effective date.
- 5.7 Notwithstanding the provisions of Section 5.8, the work schedule(s) of employee(s) may deviate from the 4-2 SCHEDULE at shift changes, provided the change is voluntary by senior solicitation and such deviation does not result in any officer working more than four (4) consecutive work days or having fewer than one (1) consecutive day off, and provided such change does not result in the employee(s) being scheduled for fewer days off during the shift cycle.
- 5.8 The work schedule of an employee may deviate from the 4-2 SCHEDULE at shift changes provided all of the following requirements are met:
 1. Such deviation only occurs at the shift change.
 2. Prior approval of such deviation is sanctioned by the Chief or his delegate.
 3. Approval of such deviation by the Chief or his delegate is based on public safety concerns as such concerns relate to coverage of beats on any given shift within the Town. Said deviation shall not be implemented to meet staffing levels which are adversely affected because an officer(s) is on vacation, ill or injured.
 4. Such deviation shall not result in any officer working more than four (4) consecutive work days or having fewer than two (2) consecutive days off.
 5. The minimum number of employees are affected by such deviation.
 6. The employee with the least seniority will be the individual affected to bring about the required changes to meet minimum staffing levels; or
 7. The probationary officer is participating in the Field Training Officer (FTO) program.
- 5.9 Where the operational needs of the Employer require, the Employer may request volunteers to fill an alternate shift on a day normally scheduled (worked) by the employee.

- 5.10 For FTO training needs, probationary employees shall work shifts determined by the Employer provided there is no deviation from the 4-2 SCHEDULE.
- 5.11 In the event that an employee is required to work a shift less than seven hours from his/her previous shift said employee will be paid at a rate of time and one half (1 1/2) for all hours prior to the seven hour minimum between shifts. This provision which shall apply to patrolman only, shall not apply when an employee changes squads at the beginning of a new eight week shift assignment, to training or court, nor shall it apply to employees assigned to the floater shift.

ARTICLE VI - OVERTIME COMPENSATION

- 6.1 All employees covered by this Agreement who are required to perform work in excess of their normal work day or work week as agreed in Article 5, shall be paid at the rate of time-and-one-half (1 1/2) their regular hourly rate of pay. Without changing this Agreement's existing overtime practices, the employer shall be entitled to utilize the 7K exemption.
- 6.2 Scheduled overtime will be available on a fair and equitable basis.
- 6.3 Overtime and outside duty assignments shall be distributed on the basis described below:
 - A. Overtime will be available on a fair and equitable basis and shall be distributed as equally as possible during the fiscal year. Overtime assignments shall be logged into the overtime roster recording the number of hours worked/refused. Employees desiring overtime consideration shall make their wishes known by signing an overtime availability sheet. All scheduled overtime, other than training overtime, shall be logged into the overtime log book. This includes all overtime scheduled when using the overtime log book, and overtime that is scheduled when not using the overtime log book. Scheduled overtime, as applied to this section, shall be overtime that is two hours or more and is scheduled more than eight (8) hours prior to the assignment.
 - B. The individual assigned by the Chief to schedule regular overtime shall utilize a roster, first of regular personnel by seniority, and next, reserves by time of service with the Stonington Police Reserves.
 - (1) Assignment shall take place by offering the assignment to the next, most senior eligible regular officer on the roster. If the regular officer refuses the assignment, he shall be charged as if he had accepted the assignment. An officer will not be charged if he cannot be contacted; however, the officer assigned by the Chief to schedule overtime assignments shall then contact the next officer on the roster and when an additional assignment becomes available, the officer who was unable to be contacted shall be offered the next assignment.
 - (2) In the case of regular officers, the roster shall be utilized for four (4) consecutive "rounds" prior to moving down the list to reserve officers.

Should all regular officers and reserve officers refuse an assignment (excluding private duty) during the periods that said assignments are offered, the assignment not filled by voluntary overtime will be assigned as follows:

- (a) The least senior patrol officer available shall be ordered to work up to four (4) assignments during an eight (8) week cycle.
- (b) If the least senior patrol officer available refuses a fifth assignment during the eight (8) week cycle, subsequent assignments shall be filled by ordering the next least senior patrol officer available to work (up to four (4) times during and eight (8) week cycle), and subsequent assignments shall be filled by continuing through the seniority list in inverse order. Once the seniority list is exhausted, assignment shall begin with the least senior officer and repeat the process.
- (c) A list of all officers by inverse seniority shall be kept and will indicate those ordered to work and, prior to going onto a second list, the officer assigned by the Chief of Police to assume responsibility for the list shall make every reasonable effort to insure that all officers shall have been treated in a fashion consistent with this provision. A new inverse seniority roster shall be applied to each eight (8) week cycle.
- (d) When the roster is utilized for reserve officers, if no reserve is available for an assignment, the assignment shall be offered to the regular officers in order of seniority. If all regular officers refuse the assignment or are unable to be contacted, the assignment will be ordered in accordance with paragraphs 4, subparagraphs A, B and C above.

- 6.4 Time spent by employees who are required to participate in service training programs, or other meetings, on their off-duty time shall be paid for such time spent at the employees overtime rate of time-and-one-half (1 ½). Employees will be paid a minimum of two (2) hours or for the actual number of hours worked, whichever is greater. Furthermore, employees who participate in LEC training shall be compensated at an overtime rate equal to one and one half times (1 ½) the patrol rate of pay.
- 6.5 In the event that an employee is recalled in on his/her off duty time, provided it is not contiguous to their regular work shift or covered under Section 6.4 of this contract, he/she shall be compensated at the overtime rate for a minimum of four (4) hours or the actual number of hours worked, whichever is greater.
- 6.6 Court appearance. For the purpose of this Article court time shall be defined as that time an employee spends in court, with court officials, or driving to and from court, provided such time is other than when the officer is on regular duty.

Every employee appearing in court, whether civil, criminal or juvenile, or any hearing to which he is subpoenaed concerning any matter arising out of or within the scope of the

officer's employment, shall be paid at straight time for his court time during regularly scheduled duty hours with a minimum of four (4) hours at time-and-one-half (1 1/2) for court time outside of regularly scheduled duty hours, that are not contiguous, plus legitimate mileage expenses and a meal allowance of ten dollars (\$10.00) if court time is greater than six (6) hours, subject to the approval of the Chief of Police.

- 6.7 In the event that an assignment is cancelled less than two hours before the assignment was scheduled to begin, the officer will be paid two (2) hours at 1 ½ times the officers regular rate.
- 6.8 Overtime for employees attending POST C Academy Basic Training Course (ABTC) shall be time and one-half (1 1/2) of their regular hourly rate as established in Article VII of this Agreement for any hours worked in excess of 171 hours in any 28 day pay period. Employees must record all hours actually worked each week and submit their time records to the training lieutenant and/or his designee for review and processing. Hours actually worked do not include, for example, meals, classes mandated by neither the Academy nor Department, or voluntary activities such as family night or graduation programs. The Employer shall be entitled to fully utilize the 7K exemption, 29 CFR Part 5532.

- 8.5 Employees who separate or are separated from employment shall receive holiday pay on a pro-rata basis through the date of the separation from employment.

ARTICLE IX – SICK LEAVE

- 9.1 Paid sick leave is afforded in reasonable amounts based on the intent and ability of the employee to return to work within a reasonable and foreseeable timeframe and resume the essential functions of the employee's position. The following factors will be considered in applying this policy:
- A. The nature of the employee's illness and/or injury;
 - B. The employee's ability to provide a return to work date;
 - C. The proximity and/or likelihood of the employee's ability to return to work and perform the essential functions of the employee's position;
 - D. The employee's attempts and/or efforts to return to work and perform the essential functions of the employee's position;
 - E. Police Department Regulation Section 10023.56 (inclusive of the May 6, 1976 and August 20, 2002 sick leave memos) and information provided by the employee pursuant to the same, (inclusive of medical certifications of illness and a statement of the nature of the illness when absent three (3) consecutive days and/or on four (4) or more separate occasions during a calendar year);
 - F. The employee's past history of abuse of sick leave;
 - G. Consultation with and/or information gathered from the employee and the employee's health care provider(s) regarding the employee's intent and ability to return to work and perform the essential functions of the employee's position; and/or
 - H. Comparison and consideration of how other employees with similar illnesses and/or injuries have been handled.
 - I. Employees shall receive one and one-half (1.5) "A" days per quarter of the calendar year for perfect attendance. Where an employee has perfect attendance for one (1) continuous calendar year, the employee will receive one (1) bonus "A" day for a total of seven (7) "A" days in that calendar year. Where an employee has perfect attendance for two (2) or more continuous calendar years, the employee shall receive two (2) bonus "A" days for a maximum of eight (8) "A" days per calendar year. Where an employee uses a sick leave day after two (2) or more years of perfect attendance, the employee's eligibility for year-end bonus "A" days shall reset at one (1) bonus "A" day after a year of perfect attendance.

The employer will review the attendance records of all employees at the end of the first calendar year of this Agreement and any employee who has had perfect attendance for two or more continuous years will receive two (2) bonus "A" days at that time.

The employee may within his/her discretion use the A day for a day off or receive payment for the day(s). Compensation for "A" days may be requested annually as of December 31. Payment will be made by the last pay date in January.

"A" days may be requested at any time and will be granted provided there is no cost in overtime to the Town, with the following exceptions: "A" days may be denied during summer weekends (June 7 to September 5 from 3 p.m. Friday to 7 a.m. Sunday), holidays, up to 35 special event days annually, weather related emergency, public safety emergency, or any emergency declared by the Governor. The Chief or his designee shall, in the first week of January of each calendar year, provide a preliminary list of known special event days for that calendar year; this list will delineate between those days on which "A" days cannot be granted and those where "A" days may be denied on the shift that is affected by the special event. The Chief or his designee will provide notice of additional special event days with at least 20 days notice.

"A" days shall be granted on a first come, first serve basis by shift. However, anytime a patrol officer's request for an "A" day is denied, no other union member shall be granted an "A" day for the shift in which the patrol officer's request was denied.

The Town must grant or deny any "A" day request within 48 hours from the time of submission.

If an employee requests a vacation day ("V" day) subsequent to the granting of another employee's "A" day request, the "V" day request takes precedence. If granting the "V" day request causes an overtime situation because of the prior approved "A" day request, the "A" day employee shall convert the "A" day to a "V" day if that employee has an available "V" day that has not already been obligated to a future date. If the "A" day employee does not have any "V" days available, then the employee can use an "A" day.

- F. After the allowed sick days are used, employees will use accrued "A" days or "V" (vacation) days.
- G. After the accrued "A" and "V" days are used, employees with less than ten (10) completed years of service as of June 30th will be allowed up to ten (10) additional paid

sick days. Employees with more than ten (10) completed years of service as of June 30th will be allowed up to twenty (20) additional paid sick days.

- H. The Chief of Police or Captain may extend additional paid sick leave on a case by case basis, under extenuating circumstances.
- I. This section shall not modify the current terms and conditions contained in Article IX of the current Collective Bargaining Agreement as it relates to the employee.

ARTICLE X – VACATIONS

- 10.1 The following vacation with pay shall be granted to all employees covered by this Agreement who are on the payroll and who have completed the following period of aggregate full-time employment with the Town.

Five years	Fifteen days
Six years	Sixteen days
Seven years	Seventeen days
Eight years	Eighteen days
Nine years	Nineteen days
Ten to fourteen years	Twenty days
Fifteen years or more	Twenty-five days

- 10.2 Vacation preference will be determined by seniority, pursuant to the current practices. Vacation time in excess of the current practice will be determined by seniority, in accordance with the needs of the department and the activities scheduled for the time period involved. Regardless of seniority, an employee may not preempt a vacation period which another employee has already been granted.
- 10.3 Accrued vacation time will be allowed each employee not to exceed an accumulation of two (2) times his/her annual vacation accrual. For example, if the Employee is entitled to fifteen (15) days per year, the Employee may have no more than thirty (30) days of vacation leave accrued at any time.
- 10.4 Two (2) weeks of regular vacation time will be allowed between the dates of June 7th and September 5th limited to a total of three (3) employees in any one (1) week, which time shall be a part of the regular vacation allowance. The number of officers allowed to be on vacation on any given day shall not exceed three (3). Detectives are not subject to the above requirement. However, on Thanksgiving Day, Christmas Eve and Christmas Day, a fourth officer will be allowed to be on vacation. The determination of the fourth officer on vacation shall be by seniority. Employees assigned full-time to the Detective Division shall not be included in the total number of employees enumerated herein.
- 10.5 If the employment of any member covered by this Agreement who is entitled to vacation payment is terminated, he shall be paid for any unused vacation time to which he is entitled, provided he has not been terminated for cause. Upon the death of an employee entitled to vacation allowance, the allowance shall be paid to his spouse, if living; otherwise, to his

surviving children, if any, but if there are no such surviving children, to any relative who was dependent upon the decedent at the time of death in accordance with a factual determination to be made by the Board of Police Commissioners. Any vacation allowance not so paid shall lapse.

- 10.6 Employees shall select their vacation time not later than June 7th prior to the start of the fiscal year in which the vacation will be taken. Requests for vacation may be changed after June 7th, providing the change does not conflict with the choice of another employee and providing such request meets the needs of the department. Not more than two (2) supervisors shall be allowed vacation at any one time. Additional vacations may be allowed at the discretion of the Chief if extraordinary circumstances exist. In the event that a request for a vacation day occurs within 48 hours of the affected shift, then the request may be denied if the result of the request will be an officer or supervisor being ordered in to cover the shift.
- 10.7 Employees who have scheduled vacations and are subsequently absent due to long-term illness or injury shall not be charged for the use of their vacations, and up to one (1) employee shall not be counted towards the number of employees enumerated in Sections 10.4 and 10.6 above.

ARTICLE XI - LEAVES OF ABSENCE

- 11.1 Compassionate leave. All full-time employees shall be allowed four (4) days special leave with pay for a death in the immediate family. Immediate family is defined as spouse, domestic partner, child, mother, father, sister, brother, stepmother or stepfather. In the event that the service for the family member is held more than five hundred miles away, an additional two (2) days special leave shall be allowed to attend the service.

12.1 In order to insure fair and equitable treatment of all members of the Police Department, there is hereby established a formal procedure to permit discussion and resolution of grievances.

A. Definition of a grievance shall be as follows:

1. Discharge, suspension or other disciplinary action of a non-probationary employee.

XXV - LIGHT DUTY

- 25.1 It is the purpose of this policy to provide temporary light duty (“TLD”) assignments, when available, to accommodate officers who temporarily cannot perform the full range of police duties and responsibilities. Use of the TLD can provide employees with an opportunity to remain productive while convalescing, or when physically or mentally unfit for their regular assignments, without risking their health and safety of others. TLD applies only to an officer whose illness or injury is temporary and is not a matter of right. Nor is there any guarantee that an officer will be assigned to light duty at any given time.

Nothing in this policy is intended to curtail the rights of officers under relevant federal and state laws.

- 25.2 An officer convalescing from an injury or illness who is absent from work may apply for TLD assignment. The Chief may order an officer who is absent from work due to an illness or injury to assume a temporary light duty assignment. In all cases, eligibility and assignment to light duty shall be subject to and supported by medical documentation.
- 25.3 Light duty assignments may be made in any of the Department’s divisions that employ sworn police officers but the positions shall be administrative or supportive in nature. TLD assignments may be drawn from a wide range of administrative areas including but not limited to, dispatch, clerical functions, handling walk-in calls for service, special projects, training to include recertification or training courses offered at the Academy or through the Department, and general administrative functions.

No specific position in the Department will be established or dedicated for use as a TLD assignment nor shall any existing position be designated or otherwise dedicated exclusively for TLD. An employee granted light duty status shall not cause the reassignment or loss of job of another employee. Officers granted TLD are not eligible for outside overtime or patrol overtime. However, officers granted TLD may be eligible for administrative or training overtime at the discretion of the chief.

Light duty assignments are strictly temporary and should not exceed three (3) months' duration unless approved by the Chief. An initial or extended light duty assignment may be discontinued at any time depending upon a change in the officer's medical condition and/or the needs of the Department as determined by the Chief. Assignment to TLD shall not affect an employee's pay classification, pay increases, promotion eligibility or other benefits unless otherwise stated in this policy.

Employees assigned to TLD are expected to wear professional attire when working in the office such as shirt and tie or polo shirt and casual dress pants. Jeans and sneakers are not permitted unless authorized by the Chief through chain of command. Police officers while on TLD may not wear the department uniform, ride with another police officer in a marked vehicle when the officer is on patrol or otherwise employ police powers.

- 25.4 The Chief, or his/her designee, will assign the employee a TLD assignment consistent with a physician's assessment of the officer's medical capabilities. Any days spent by an employee convalescing from an injury or illness performing TLD under this Article will not be counted toward the employee's sick leave allotment as detailed in Article IX.

The Chief is the decision maker on all aspects for TLD assignment and his decision is based on the availability of an appropriate assignment, the physical limitations of the officers as documented by medical opinion and the officer's knowledge, skills and ability. All decisions regarding TLD are made by the Chief. While every effort shall be made to assign officers to a position consistent with their rank and pay classification, an officer may be assigned to an alternate position designated for personnel of lower rank or pay classification. It is understood by the parties that undertaking a TLD assignment will not alter the employee's rate of pay.

ARTICLE XXVI - STABILITY OF AGREEMENT

- 26.1 HEADINGS. The paragraph captions used in this Agreement are included solely for convenience and shall not affect or be used in conjunction with the interpretation of this Agreement.
- 26.2 STABILITY OF AGREEMENT. There are no ancillary agreements, written or oral, to this contract. Any amendment, alteration or variation of the terms or provisions of this Agreement must be made in writing and ratified by the membership of the Union and the Board of Selectmen in order to be incorporated as part of this Agreement and binding upon the parties to it.
- 26.3 SEPARABILITY. If any term or provision of this Agreement is at any time during the life of this Agreement adjudged by a court or administrative body of competent jurisdiction to be in conflict with any law, such term or provision shall become invalid and unenforceable, but such invalidity or unenforceability shall not impair or affect any other term or provision of this Agreement.
- 26.4 If any Article or Section of this Agreement is declared invalid by a court of competent jurisdiction, said invalidity shall not affect the balance of this Agreement.

ARTICLE XXVII - DURATION

- 27.1 This Agreement shall be in effect and remain in effect through June 30, 2019 and thereafter shall be considered automatically renewed for successive periods of two (2) years unless either party shall, not earlier than one hundred fifty (150) days and not later than one hundred twenty (120) days prior to June 30, 2019, serve written notice on the other party of a desire to terminate, modify, negotiate, change or amend this Agreement; provided, however, it is understood that the parties will meet within fifteen (15) days of said written notice.
