Whenever the Chief decides to fill a position so vacated, a notice of the opening shall be posted in the Police Department within the said sixty (60) day period and shall remain posted for a period of fifteen (15) calendar days. Employees eligible to apply, and who wish to apply for the open position shall sign up for the selection procedure within the fifteen (15) calendar days the notice of the opening is posted.
- b. All candidates for an open position shall compete in accordance with the selection procedure set forth in Paragraph i through v below. The candidate with the highest score shall be awarded the position in question and other candidates shall be placed on a promotional eligibility list, in the order of the candidates scoring in the selection procedure. The promotional eligibility

list created by the procedure set forth below shall remain in effect for a period of two (2) years from the date such list was established; and for that period, said list shall be utilized exclusively in filling an opening as determined by the Chief for the same position as the original examination procedure undergone at the time of the creation of said list. Any candidate, on the promotional eligibility list, who receives discipline consisting of a suspension or greater penalty, may be removed from that list. Any candidate who has been disciplined and removed from the list, and is or becomes next in line for promotion, shall have an opportunity to pursue his/her grievance through STEP 4 of the Grievance procedure, and receive an award, and the promotional list will be frozen until said award is received.

(i) Written Examination.

There will be a written examination worth a maximum of forty (40) points, scored from 1 to 100%. The written examination will be professionally prepared from a properly accredited source as determined by the Chief or his designee.

Sixty-five (65%) percent shall be the minimum passing grade. The candidate's percentage score shall be multiplied by forty (40) points to determine the candidate's points for this portion of the promotional procedure.

(ii) Oral Examination.

There shall be an oral examination worth a maximum of twenty-five (25) points scored from 1 to 100 percent. The oral examination shall be conducted by a panel of three (3) police officers, all of whom shall be at least one (1) rank higher in classification than the position for which the examination is being conducted. The three police officers shall be chosen by the Chief with the sole limitation on the Chief's selection authority being that the three officers chosen shall be from police departments located in towns whose borders are more than twenty (20) miles from the Watertown Town Hall Annex.

Sixty-five (65) percent shall be the minimum passing grade. The candidates' percentage score shall be multiplied by 25 points to determine the candidate's points for this portion of the promotional procedure.

(iii) Seniority.

There shall be one and one half (1 ½) points awarded for every full year of full-time service in the Watertown Police Department as of the nearest full month prior to the date of termination, death, or retirement of the employee whose position is being filled or prior to the date of posting for new positions up to a maximum of fifteen (15) points. No credit shall be given for time served as a supernumerary or auxiliary officer, but credit shall be given for time spent on layoff status for so long as a candidate retains seniority as defined in this Agreement.

(iv) Evaluation.

There shall be an evaluation made by the Chief of Police reflecting his opinion of the

candidate's fitness to perform the duties of the position sought. The evaluation shall be worth a total of 20 points. Up to 15 points may be given based on the officer's work record and previous evaluations and up to 5 points may be awarded based on the Chief's discretion. Prior to the testing the Chief will provide a form which will indicate the specific criteria evaluated and how the 15 points may be allocated. The five (5) discretionary points shall be awarded by the chief at the beginning of the process and are not subject to challenge or the grievance procedure.

A candidate must receive a passing grade in Section (i), the Written Examination, before passing on to Section (ii), the Oral Examination and must receive a passing grade in Section (ii), the Oral Examination, before passing on to the next phase of the above procedure and before the candidate's name is added to the promotional eligibility list.

(v) Total.

The final score shall be the sum of the scores attained by the candidate in the various parts above as follows:

- (i) Written Exam - weight, up to but not more than forty (40) points;
- (ii) Oral Examination - weight, up to but not more than twenty-five (25) points;
- (iii) Seniority - weight, up to but not more than fifteen (15) points;
- (iv) Evaluation - weight, up to but not more than twenty (20) points.
